

I am writing to you FCC that I do benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available elsewhere in California City, CA. I do pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge that the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Thank you,
Sandy Aldava
